

# England Coast Path Information Sheet for Romney Marsh

## 1. Royal Military Canal and Dymchurch Redoubt

The England Coast Path is a new National Trail all around England's coast. It is opening in sections and will be complete in 2020. The Romney Marsh section opened in July 2016 and can be accessed anywhere along its route.

This information sheet, the first in a series of five (see below), provides a map of the section of the path that starts at the Royal Military Canal, to avoid Hythe Ranges, before turning eastwards to rejoin the coast just after the Dymchurch Redoubt.

### Access, Restrictions and Exclusions

You can use the QR code on the right to find information about access, restrictions and exclusions for any part of the path.
